MAKE YOUR OWN PELICAN CHRISTMAS ORNAMENT!

You will need:

- printer and paper (or card)
- scissors
- glue stick and tape
- colouring pens or pencils
- string

Instructions:

1. Colour in your pelicans!
2. Cut out the shape around the black line and fold down each dotted line.
3. Cut a piece of string to around 15cm and tape, in a loop, to the back if the paper.
4. Cover the back of the paper with glue.
5. Following the folds, stick the back of side A to side B, C to D, and E to F. The pelicans should all fold in on themselves.
