Make your own Pelican Parcels Giving Tree

Be a Secret Santa for a child in Brighton & Hove.

Registered Charity Number: 1179866

You will need...

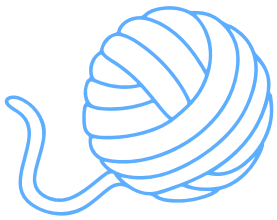

Printer and paper (or card)

Scissors (or guilotine)

Hole punch

String

A tree (or somewhere else to hang your tags)

A place to leave donations

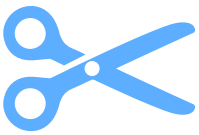

Laminator (optional)

How to...

Print pages 7 - 16 of this document. Make sure to print double-sided! This will make 40 tags, if you want more, just print more copies!

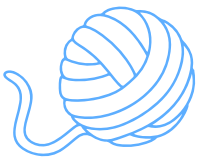

Cut along the dotted lines around each tag.

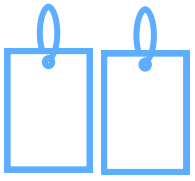

Optional: laminate the tags and cut them out again, with a little bit of laminator sheet around the edges (for extra durability, you can put the tags through the laminator a second time once you've cut them out)

Punch a hole into the top of each tag (inside the circle)

Cut 40 pieces of string around 15cm long, and tie them in a loop through each of the tags.

Now hang your tags on your tree and start inviting people to buy gifts!

Good to know...

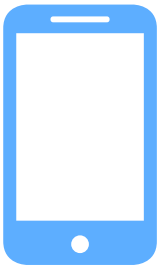

Please make sure that none of the gift donations are wrapped, as we like to give wrapping paper seperately so that parents/carers can wrap the presents for their children.

Make sure to let us know you're running a Giving Tree for us! Email evie@pelicanparcels.org.uk

We have lots of referrals to fulfil, so please make sure to get your gifts in before late November if possible!

Don't forget to share on social media and tag us!

@pelicanparcelscharity @PelicanParcels.charity

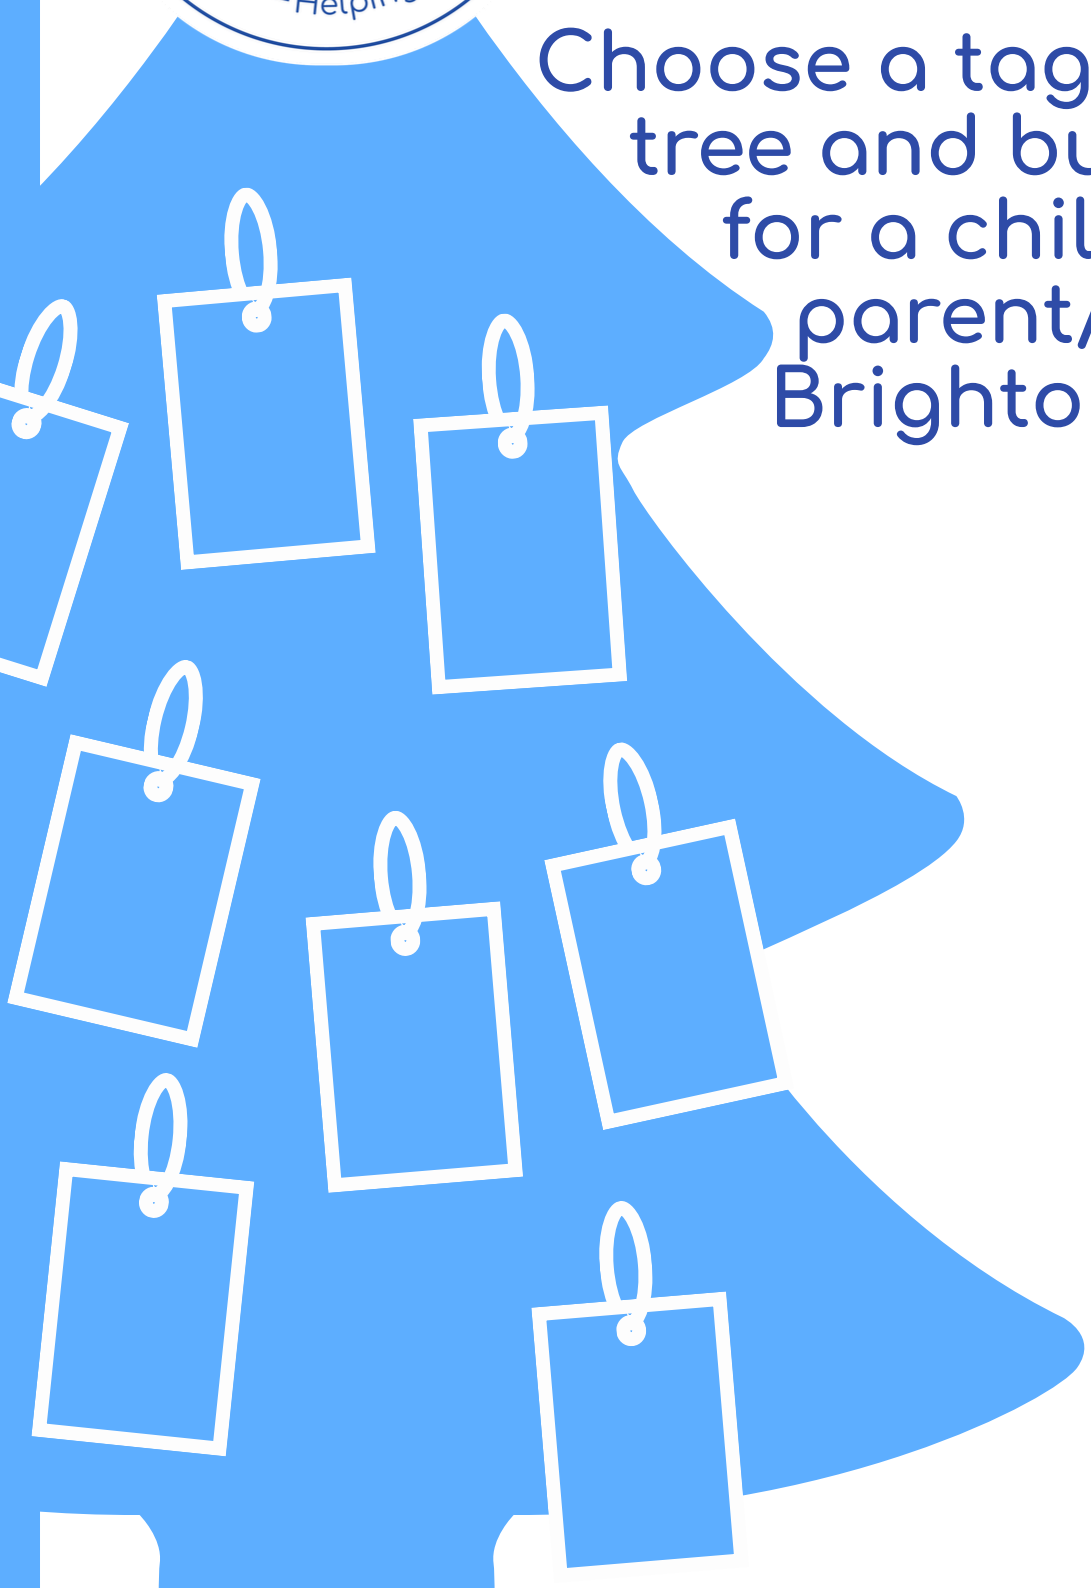

@pelicanparcels @pelican-parcels-charity

If you plan on donating financially, make sure to donate 1st - 8th December through the Big Give to double your donation!

PELICAN PARCELS GIVING TREE

Choose a tag off the tree and buy a gift for a child (or parent/carer) in Brighton & Hove
